Exploring  
the Jewish  
roots of  
Christian  
faith

The biblical world contains many lessons that we can draw on to feed and nurture our Christian faith. A deeper appreciation of the culture of the time can shed new light on our understanding of the Bible and our lives today.

To help us in our **Digging Deeper** we'll be using some of teacher and historian Ray Vander Laan's *Faith Lessons* series. Filmed on location in Israel, it is a fascinating video tour of the places where the stories of the Bible actually happened. You'll never read the Scriptures in quite the same way again!

The course consists of 5 sessions including video, teaching, and small group discussion. Come and join us at Holtwood this Autumn on a journey of discovery as we explore together the life and ministry of Jesus!

## When and Where?

The course consists of 5 sessions and will run every 2 weeks on a Monday evening at Holtwood Methodist Church 7:30 - 9:00 pm:

- Nov 27th

It doesn't matter if you can't make every session ... just come when you can!
